

**NC-ACTE Executive Secretary's Report  
January 2008**

**Greetings and Happy New Year to the NC-ACTE membership!**

**First of all, let me say a big THANK-YOU to the Executive Board and the membership for your vote of confidence in making me your first Executive Secretary. I consider it an honor to serve this professional organization dedicated to a cause that is close to my heart: strengthening teacher preparation programs in North Carolina. I pledge to the Board and to the Association my commitment to work toward making teacher education more visible and involved in this collaborative effort. I welcome your suggestions and input to that end.**

**The Board and I have already had much dialog as to specific activities in which I should be involved as your representative. Dr. Karen Guy, President, and I have already had dialog by email and by telephone to identify appropriate activities for me. It is my intention to contribute regularly to the web site in an effort to make the activities of this office visible to the membership.**

**Since I am officially retired, my office is in my home. Should you wish to correspond with me as Executive Secretary, you may do so using the following contact information:**
